

Bethel Preparatory Biblical-Classical Christian Academy

Our Mission Statement

“Shaping the future and restoring our Christian heritage with Jesus Christ at the center of all learning”

Our Biblical Mandate

(Col. 2:2-3)

My purpose is that they may be encouraged in heart and united in love, so that they may have the full riches of complete understanding, in order that they may know the mystery of God, namely, Christ, in whom are hidden all the treasures of wisdom and knowledge.

Our Philosophy

At Bethel Prep we are shaping the future as we help today’s students become tomorrow’s leaders. In partnership with families, local churches, and our community, we are committed to providing academic excellence, thorough Biblical integration, and Christ-like character building for any student willing to learn. (***Psalm 78:1-8***)

Our goals are threefold: We want our students to discover and pursue God’s good, pleasing, and perfect will; to obtain and master the tools of life-long learning; and to develop and rely on a Biblical worldview. Graduates will be able to integrate, articulate, communicate, and defend their faith and wisdom in order to be effective Christ followers, witnesses, and leaders to their generation. In order to help our students achieve these goals we have chosen Biblical-Classical pedagogy as the foundation of our curriculum. We consider it a great privilege to make this investment in the lives of our students. (***Romans 12:2; 2 Corinthians 9:6-8***)

For living beings created by God and living in a world created by God there is neither truth nor knowledge apart from knowing Him. Studying anything and everything God created should reveal something about the Creator (***Romans 1:20***). Therefore, at Bethel Prep, the word of God is integrated into all areas of academic and co-curricular life. The Lord commands us to study and teach His word at every opportunity (***Deuteronomy 6:6-9***). The Scriptures are the revelation of God, His truth and wisdom, and our final authority for matters of life and faith (***2 Timothy 3:16***).

In an effort to be an effective Christian witness in our community, we provide opportunities for students and their families to mature in the Christian faith, reflect Christ-like character, and become a witness within our school, community, and world. (***Matthew 28:19***)

We acknowledge our need to trust in God in this endeavor as we strive to reflect His excellence and glory. (***Zechariah 4:6; 1 Corinthians 10:31***)
