

BETHEL PREP DRESS CODE

As expected, there are changes to the Uniform Code for the coming school year. The attached document outlines what our students are allowed to wear. Anything that is not listed in this document is not allowed to be worn to school.

Earlier this year Bethel Prep was approached by Flynn & O'Hara Uniforms for us to consider using them as a supplier of our uniforms. Flynn & O'Hara offers black and gold plaid and striped ties which has been something many of us have wanted. The decision was made to add them as an option for our everyday school uniform and as the only supplier of our dress uniforms and gym shirts. You are still able to purchase uniform shirts and take them to EmbroidMe for embroidering; you are still able to purchase uniform bottoms from a retailer of your choice; you are still able to purchase logo'd shirts from EmbroidMe.

That being said, gym shirts must be purchased from Flynn & O'Hara. The school is no longer providing gym shirts. Long sleeved gym shirts are now available.

The uniform code is now laid out in easy to read tables that tells you where you can purchase items.

The 2010-2011 school year marks the beginning of our Rhetoric School. In order for these upper grade students to distinguish themselves from the Grammar and Dialectic grades, their daily & dress uniforms will be different. Rhetoric students will wear blazers on designated Blazer Days during the regular school week (no tie for the young men on these days). Blazers are mandatory for Dress Uniform Days (with ties for young men and plaid skirts for young ladies).

Beginning in **September 2011**, all shirts must have the school's logo embroidered on them. We are giving you this advance notice so you can plan accordingly.

Below are some of the facts and benefits of purchasing your uniforms from Flynn & O'Hara:

<p>PLEASE NOTE: Flynn & O'Hara will not be keeping in stock many of our logo'd items since this is our first year with them. They greatly appreciate our patience and understanding in this matter. Each logo will take approximately 15 minutes. You may either wait, have the items shipped to your home, or pick them up at a later time. They also suggest coming in towards the end of July before their busy time in August.</p>

Bethel Prep Uniform Policy - Dialectic School (Grades 7-8)

Student and faculty dress reflects the seriousness, importance, and fun of learning and our pride in being members of this school community. Creating and maintaining Bethel Prep's Uniform Policy is part of the classical learning experience. Bethel Prep's Academy colors are gold and black. These are meant to represent the excellence of Christ impacting the darkness of the world as well as the power of a Biblical-classical education to overcome the ignorance of education that ignores the truth of Jesus Christ.

Homeroom or classroom teachers check students at the beginning of each school day. All uniform code violations must be corrected immediately. This may require students be sent to the Schoolmaster until parents can bring in the necessary items. Students who violate the dress code will receive the following additional consequences:

- First Offense: Uniform Violation form signed by parent or guardian and returned to homeroom or classroom teacher by the next day.
- Second offense within a marking period: after school detention.
- Third Offense within a marking period: out of school suspension
- Subsequent offenses will result in a parent meeting with the Schoolmaster.

The schoolmaster, staff, and/or School Board are the final interpreters and arbiters of the Uniform Policy. The Uniform Policy may be modified at any time.

This document outlines what our students are allowed to wear. Anything that is not listed in this document is not allowed to be worn to school. For example, but not limited too, hoodies, boots, leg warmers, holes in tights, footless tights/leggings, turtlenecks, sandals, Heelies, etc. Shorts under skirts are permitted but MUST be shorter than the length of the skirt.

If a student is unable to comply with the Uniform Policy temporarily for a legitimate reason, parents must notify the school in advance. If there are financial reasons why a student can not comply with the Uniform Policy please contact the Schoolmaster.

Uniforms are expected to be clean, in good condition, and each item labeled with the student's name.

BEGINNING IN SEPTEMBER 2011 ALL SHIRTS MUST HAVE THE SCHOOL LOGO EMBROIDERED ON THEM.

GENERAL POLICIES

- Students must always be dressed neatly and modestly according to this Uniform Policy. All uniforms must have all buttons, working zippers, and be free of holes/tears/stains.

- Hair accessories must be modest and compliment the student's uniform.
- Hair color must be natural and acceptable to the schoolmaster and/or staff. Hair must not be multicolored or distracting to the learning environment.
- Young men must be clean-shaven; sideburns are not to be below the middle of the ear.

Bethel Prep Uniform Policy - Dialectic School (Grades 7-8)

WHERE TO SHOP

You may purchase uniform tops and bottoms from any retailer of your choice. Please note that all items that are labeled as 'uniform' from a retailer may not comply with Bethel Prep's Uniform Policy . For example, Lands' End has Uniform Boys Cargo Shorts. Cargo shorts are not permitted even if a retailer labels them as 'uniform'.

Additionally, there are many different shades of khaki. Bethel Prep wears the tan colored khaki. If you need to see the shade you can refer to Flynn and O'Hara, Lands End, Gap Kids, or JC Penney to see the shade of khaki.

Flynn & O'Hara is a full service uniform company. They offer many services for our parents to make shopping easier. You can purchase uniforms at their Mt. Ephraim retail location, online (www.flynnohara.com), or by telephone. Bethel Prep receives 10% of total sales each year.

Land's End School Code: 900117581 (When you use this number Lands End credits 3% of your purchase to Bethel Prep) www.landsend.com Our logo is no longer available from Lands End but you can still purchase items from them without the logo and then take to EmbroidMe for logo placement.

EmbroidMe store is located at 1500 Almonesson Road, Deptford, NJ 08096, Phone 856-812-0509, or online at <http://www.embroidme-deptford.com>. You have the option of purchasing plain shirts and taking them to EmbroidMe to have the logo embroidered or you can purchase logo'd shirts at EmroidMe.

UNIFORM EXCHANGE

In order for clothing to be considered for donation:

- Undamaged (all buttons, working zippers, free of holes/tears/stains)
- Tights and socks may not be donated unless they are in their original packaging.
- No shoes.
- Please do not donate dirty, torn, or stained garments. Normal wear is expected.

After items are inspected and sorted according to size and gender, clothing is placed on sale for \$3.00 per item. All proceeds go directly back to Bethel Prep to benefit our children. Bethel Prep will not pay cash for any clothing donation and has no control over uniform availability or sizes. Sales are on a first come first serve basis.

You do not have to donate items to shop at the Uniform Exchange. However, for the Uniform Exchange to be a success we need as many donations as possible. The Uniform Exchange is handled by parent volunteers.
